AUT-EROBICS
AUTISM MOVEMENT THERAPY

Special-needs educator Joanna Lara has the perfect heartwarming solution for working with autistic children and students—and it's simple and fun. The answer: dance, dance, dance. Aut-erobics cleverly engages the whole brain and body with music and movement to improve motor and cognitive skills in children with autism. Whether

its following simple movement sequences or moving to their own beat, children will energize mind and body all while having fun dancing. WWW.AUTISMMOVEMENTTHERAPY.COM
