A Unique Sensory Integration Breakthrough Program of
Music & Dance Specifically Designed for Young People
with Autism

"Programs like Joanne's Autism Movement Therapy offer opportunities for our kids to develop the necessary and fundamental skills that benefit all our kids. Art saved my life!" - Temple Grandin, PhD

aut-erobics® was developed as a new, first of its kind, sensory integration. This easy to follow **instructional DVD** combines music and movement for individuals

"Everyone should experience your program. It's a game changer."
Areva Martin, author *The Everyday Advocate*, co-founder Special Needs Network
